

Notice of Excommunication
(English translation for the Siruv Beit Din)

This is to state that unfortunately Yoel Weiss 1234 47th street Brooklyn, NY 11219 was sued in our court by his wife Rivka Stein to organize her a *Get*, Jewish writ of divorce, and other matters and was requested to show up on three separate occasions, and was warned that if he does not show up an order of excommunication will be issued against him.

Therefore, we are informing you that Yoel Weiss is still chaining his wife Rivka Stein and refuses to be judged in a Din Torah and the halacha regarding him is clarified in Shulchan Aruch, Siman 334.

It is an obligation to excommunicate him and to convince him to free his wife from her chains as an Agunah.

All people should act towards him in a matter discussed in Shulchan Aruch with regards to a subject that refuses to appear before a Din Torah.

On this we signed here in Brooklyn, NY on Wednesday of Parshat Shmini 17 Adar B 5774 (March 19 2014)

Signed,

Rabbi Chaim Taub
Rabbi David Binyamin Abales
Rabbi Yehoshua Goodman
